Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner indicated to the applicants that although the claims may be allowable in view of amendment, this application was subject to the election of species. Modifiers that are based on phenolic compounds have been search and examiner, however other modifiers were not. The examiner suggested either cancellation of the non-elected species or filing an RCE where non-elected species can be searched. The applicants representative favored cancellation of non elected species, however proposed by the applicants amendment has not been filed in time and advisory action is issued.
